

## Let it Snow! Let it Flow! Let it Go!

### February Networking Social and Postcard Caper Contest

Are friends sending postcards from places where the grass is green, breezes are balmy and the surf is gentle and inviting? Well, never mind. We have a mid-February remedy – a way of warming up both your heart and your writing hand.

Come share a couple of hours with other CAA – Alberta Branch members at this fun networking event that will include a postcard contest. Part of the program will be devoted to hearing the stories. The rest is for socializing and schmoozing, camaraderie and fun: to laugh a lot, perhaps cry a little, be goofy, be kind and above all, to support each other in our writing endeavours. It's guaranteed to make you forget winter and spark your passion for writing.

**Let it snow** (it's winter and it's likely to snow whether we like it or not)

**Let it flow** (let your ideas flow onto paper and your enthusiasm spill out amongst other CAA members)

**Let it go** (read your story, share your words by letting them go, forget about winter)
